NOTE: Acoustic recording. Original published title in USA "Mumblin' Moss". GCR is a single sided issue. This LBR archive copy of GCR V.*70621 originally belonged to Th. Lumbye himself. Harlequin is an LP issue.

At the time of recording, Th. 'Tippe' Lumbye was leader of Restaurant Wivel's band counting 16 members. For a period this band included a.o. Fr. Lundgaard, cor. Fr. Hansen, clt. Johannes Bruce, oboe. Peder Lynged, vln. P. Th. Wallin, pno. Emil Reesen, flt/vln/pno/dms. TTL himself played violin - he is not referring to this session in his otherwise detailed memoirs, "I familie med Tivoli" 1942. This track may be considered a rather unintentionally misunderstood interpretation of the music form.
